

# Nursing Student Forum

**Nursing Student Forum is held on the last Tuesday of every month starting in January 2025, 9am-12:30pm.**

The forum will be face to face primarily at Sandford Education Centre or Redwood Education Centre.

Face to face forums will be on a first come first served basis due to room size/capacity.

All forums will consist of:

- ▶ Welcome and introduction
- ▶ An education element
- ▶ Practice Education Facilitator updates
- ▶ A Q&A session with senior colleagues and HEI representatives
- ▶ Feedback and networking opportunity
- ▶ Optional restorative clinical supervision

The forum can be used as part of your placement hours for student nurses or protected learning time/'away placement' hours for Student Nursing Associates.

**All Nursing Students welcome (T-Level students on the Adult Nursing Pathway are also welcome to join between 09:00 – 10:30).**

**We look forward to welcoming you on the following dates from 9am to 12:30pm:**
