

# Let's move things forward, together.

We are working with our patients to improve health care by using Experience-based co-design (EBCD).

Experience-based co-design is an approach that enables staff and patients (or other service users) to co-design services and/or care pathways, together in partnership.

If you'd like to be involved, contact [ppi@glos.nhs.uk](mailto:ppi@glos.nhs.uk)
