

Covid-19: Going to hospital during Coronavirus outbreak

Coronavirus is also called Covid or Covid-19.

If you are very ill you may need to come to hospital during the Covid-19 outbreak.

This leaflet is to help you understand what will happen when you come to hospital.

1

You will go to the reception in the Emergency Department at Gloucester Hospital or Cheltenham Hospital.

2

Hospital staff will be wearing masks and aprons.

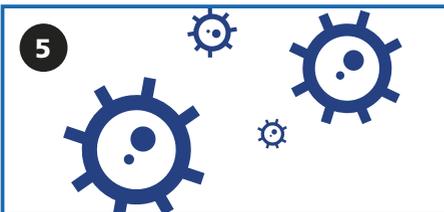

3

You may be asked to wear a mask.

4

Don't be scared, this is to help keep everyone safe.

5

You may be tested for Covid-19.

6

Swabs are rubbed inside your mouth and up your nose. A swab is like a large cotton bud.

7

Hospital staff will decide where you need to go for treatment.

8

It is really important that you stay in the area you are taken to.

9

Ask hospital staff if you need help.

10

Bring your Health Passport into hospital with you.

11

Bring in your medication.

12

Remember – it is important to wash your hands regularly.

13

If you have a learning disability and need extra support, please contact the Learning Disability Liaison Nurses on
