

Self-Assessment Tool:

Using external evidence and organisational knowledge

1 hour

Use this simple framework to quickly assess how the organisation can make better use of knowledge as an asset and identify opportunities to develop and learn.

Self-Assessment Tool:

Using external evidence and organisational knowledge

Speak to your NHS Library and Knowledge Service representative to facilitate use of the tool.

1. Work through sections 1 – 3 of the tool – Leadership, Culture & Capability, Knowledge Resources.
2. Read each criteria and identify the statement that best describes the current situation within your team or organisation.
3. Within the statement, circle the number that you feel your team or organisation is at.
4. In section 4, prioritise initiatives that you can take forward to strengthen use of evidence and organisational knowledge.
5. Ask your Library and Knowledge Service representative to draw up an action plan.
